## YOLO COUNTY BOARD OF REALTORS® ‘INKS’ DEAL WITH SETTLEWARE®

- **Free e-Signing Benefits for All Members**
- **Introducing First ‘Pay As You Go’ Plan**
- **Patent Protection For Each Member**

Newport Beach, CA - October 12, 2010 - [Settleware Secure Services, Inc.](#), the pioneering e-Sign leader to the Real Estate Industry, is pleased to announce that [Yolo County Board of REALTORS® \(Yolo A.R.\)](#) has licensed both its innovative e-Signature technology and US patent for the benefit of all Yolo A.R. members.

“We are excited to partner with [Yolo County Board of REALTORS® \(Yolo A.R.\)](#) and its’ visionary leadership to provide relevant e-Signing technology to all Association members, enabling each member to take their business to the next level” says 30 year real estate veteran and Settleware President & CEO, C. Richard Triola

“The [Yolo County Board of REALTORS® \(Yolo A.R.\)](#) is proud to add Settleware e-Signing as a free membership benefit to our REALTOR® members.” e-Signing is a safe, quick method of signing documents that will assist our agents and clients with their transactions. Providing Settleware e-Signing as part of our Yolo County Board of REALTORS® membership not only enhances the professionalism of our members, it provides their clients with a secure, fast method of signing documents.” stated Karen Hulbert, Vice President, Yolo County Board of REALTORS®.

“We fully understand these trying times and the challenges that our real estate colleagues face on a daily basis. With this offering no Agent will be left behind and all will have the immediate benefit of processing legally binding, compliant documents in real time – collapsing critical time frames and eliminating the associated paper ‘friction’ they currently experience with each and every transaction. It’s hard enough these days to close a transaction without having to chase documents and signatures all over town” continued Triola.

In an upcoming book ‘Game Changers..’, due to be released next month, Triola continued to describe how e-Signatures will become the standard and urges all Brokers and Agents to explore the true benefits-not only to the bottom line but as stewards and drivers of good Corporate Social Responsibility. With the click of a mouse and zero carbon footprints it is not difficult to understand the impact on our environment for generations to come.

### ABOUT SETTLEWARE

Created by REALTORS® Settleware Secure Services, Inc. has been spearheading the initiative to facilitate a complete electronic and paperless real estate transaction over the Internet since 1999. Today, Settleware is the leading provider of e-Signatures, e-Notarization and e-Recording workflow to the Real Estate/Mortgage Industry and offers the first and only fully-electronic real estate and mortgage transaction, from Opening to Closing, from the offer contract - to Escrow - to the County Recorder - to the Secondary Investor. Settleware has

pioneered and served as catalyst for a pure end-to-end pure electronic and paperless real estate/escrow transaction, spending years collaborating with Industry pioneers and experts to gain Industry wide 'buy-in'. Settleware is the first and only e-Sign solution provider that has been certified by County Recorders (e-Recording), Secretaries of State (e-Notary), Fannie Mae (e-Notes) and MERS e-Registry (e-Vault), Wells Fargo and One West Bank.

The company offers a secure signing solution that provides document tamper sealing, roles and permissions access and secure digital encryption algorithms that can authenticate the source of a digital signature as "valid" while providing one of the Industry's first certified e-Vaults. The company's low-cost and patented Cloud computing solution seamlessly connects all participants in the real estate/escrow/mortgage transaction and is offered independently or through MLS and REALTOR® Associations to benefit over 1 million members nationwide.
